## **ARTICLE III**

### **ASSESSMENT**

3.1 **ASSESSMENTS.** For the operation of the Association and the performance of the maintenance obligations of the Association and for the purpose of complying with the other terms, conditions and provisions imposed upon the Association by this Declaration, the Developer declares it necessary to require Owners to pay annual assessments and special assessments for capital improvements and special individual assessments in the manner specified below and in the Bylaws, and each Owner accepts the obligation to pay assessments and covenants and agrees to pay such assessments by the acceptance of such Owner's deed. The Drainage Facilities are hereby dedicated by the Developer to the Association, shall be owned by the Association, shall be deemed common property in accordance with the rules of the District, and the annual assessments shall be used for the payment of the operation, maintenance, repair and replacement of the Drainage Facilities.

3.2 **PURPOSE OF ANNUAL ASSESSMENT.** Annual assessments shall be levied by the Association in accordance with the provisions of this Declaration and the Bylaws and shall be used exclusively to promote the health, safety, welfare, recreation, common benefit and enjoyment of the Owners and others residing in the Subdivision and for the improvement and maintenance of the Common Area, and of each dwelling constructed on each Lot within the Subdivision and for the payment of the operation, maintenance, repair and replacement of the Drainage Facilities. Annual assessments shall include, and the Association shall expend out of the funds derived from the annual assessments, the following costs and expenses:

The policy limits shall be set by the Directors and shall be reviewed at least annually and increased or decreased in the discretion of the Directors.

3.2.5 The cost of workers compensation insurance to the extent required by applicable Florida law and any other insurance deemed necessary by the Directors of the Association.

3.2.6 The cost of a standard fidelity bond covering all Directors and all other employees of the Association in an amount to be determined by the Directors.

3.2.8 The cost of performing any other duty or obligation of the Association as set forth in this Declaration, the Articles, the Bylaws, any Permit issued to the Association, or under Applicable Laws.

3.3 ASSESSMENT PROVISIONS. The provisions with respect to assessments, the manner in which the assessments are to be adopted, interest on assessments and other provisions with respect to assessments are provided for in the Bylaws, the terms, conditions and provisions of which are specifically incorporated into this Declaration by reference.

3.4 ANNUAL ASSESSMENTS. The initial annual assessment for the first fiscal year of the Association (calendar year 2023) shall be \$450.00 per Lot. The Directors shall establish the amount of the assessments in the manner provided in the Bylaws and shall also establish the frequency and due dates of assessments. If expenses exceed the amount estimated in the budget, the Directors may increase the amount of the assessments as a result of such unanticipated increase in expenses in the same manner as assessments are established in the Bylaws. So long as the Developer is in control of the Association and is entitled to elect a majority of the Directors, the Developer will not be obligated to pay assessments and the Developer agrees to pay any operating expenses incurred by the Association that exceed the assessments receivable from Members other than the Developer, together with other revenue and receipts of the Association. The Developer shall have the right to be released from the foregoing obligation to pay any shortfall or deficit occurring or arising after the earlier of the date of notice by the Developer to all Owners that the Developer elects to begin paying assessments for Lots owned by the Developer or the date the Developer gives notice of its desire to turn over, and does turn over, control of the Association to the Members other than the Developer.

3.5 COMMENCEMENT OF ANNUAL ASSESSMENTS. Annual assessment provided for above with respect to a particular Lot shall commence on the date of the sale of such Lot by the Developer. Written notice of the annual assessment shall be sent to each Owner and the due date shall be established by the Directors. The Association shall, upon demand of a Lot Owner, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

3.6 UNIFORM RATE OF ASSESSMENTS. Annual assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or annual basis, as determined by the Directors.

3.7 LIEN FOR ASSESSMENTS. The Association shall have a lien on a Lot for all unpaid assessments applicable and chargeable to the Owner of such Lot, together with interest

thereon and cost of collection specified in Section 3.8 below. The Lien shall be superior to all other liens and encumbrances on the Lot, except for the lien for ad valorem taxes and the lien for all sums which the Owner of such Lot is obligated to pay under any Mortgage encumbering such Lot duly recorded in the public records of Polk County, Florida. All other persons acquiring liens or encumbrances on any Lot after this Declaration shall have been recorded in the public records, shall be deemed to consent to the liens and assessments of the Association and such other liens and encumbrances shall be inferior to future liens for assessments of the Association whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances. The Association may, but is not obligated to as a prerequisite to enforcing its lien rights, record in the public records of Polk County, Florida, a notice of the lien setting forth the amount of any delinquent assessment. A sale or transfer of any Lot shall not affect the assessment lien or the obligation of a Lot Owner to pay the assessment and other amounts due the Association.

3.8 ENFORCEMENT OF LIEN AND COLLECTION. The Directors may take such action as they deem necessary to collect delinquent assessments, by legal proceedings personally against an Owner or by proceedings to enforce and foreclose the lien for the assessments and may settle and compromise such amounts that are due, if deemed by the Directors to be in the best interests of the Association. All costs and fees incurred by the Association or the management company employed by the Association as a result of the non-compliance by a Lot Owner of the obligations of the Lot Owner under this Declaration, including, without limitation, costs of collecting delinquent assessments, shall be the Lot Owner's obligation to pay. The foregoing costs and fees shall include all fees and costs charged by the management company employed by the Association related to the non-compliance by the Lot Owner, all attorneys' fees, paralegal fees and costs incurred by the Association at the pretrial and trial levels and in connection with all appellate proceedings, and in connection with bankruptcy and administrative proceedings arising out of or related to any non-compliance by a Lot Owner of any obligation of the Lot Owner under this Declaration. Each Owner by the acceptance of the deed to such Owner's Lot vests in the Association or its agents the right and power to bring all actions against such Owner personally for the collection of the assessments and all costs of collection as a debt or to foreclose the lien in the same manner as other liens for improvement of real property are foreclosed. The lien provided for in this section shall be in favor of the Association. No Owner may waive or otherwise escape liability for the assessments provided for in this Article by abandonment of such Owner's Lot. At any foreclosure sale held pursuant to a foreclosure of the lien, the Association shall be entitled to bid at such sale and to apply as a cash credit against the Association's bid all sums due the Association covered by the lien being foreclosed.

3.9 RIGHTS OF MORTGAGEE. Notwithstanding anything to the contrary contained in this Declaration, when a Mortgagee acquires title to a Lot as a result of the foreclosure of a Mortgage or when the Mortgagee accepts a deed to the Lot in lieu of foreclosure, such Mortgagee, its successors and assigns, shall only be liable for the assessments by the Association pertaining to such Lot which became due prior to acquisition of title as a result of such foreclosure or acceptance of a deed in lieu of foreclosure to the extent specified in Section 720.3085 of the Florida Statutes, as amended, provided Mortgagee complies with all of the requirements of such Section of the Florida Statutes. The remaining portion of any unpaid assessments for which Mortgagee is not liable under such Section of the Florida Statutes shall be deemed to be common expenses collectible from all of the other Owners, including such entity acquiring title as a result of such foreclosure or deed in lieu of foreclosure. The new Owner shall become liable for payment of

assessments from the date such new Owner acquires title to the Lot. Except to the extent of the forgoing obligation by the Mortgagee to pay such portion of the delinquent assessments under such Section of the Florida Statutes, the lien for all assessments provided for in this Article III shall be subordinate to the lien of any Mortgage which is now or hereafter placed upon any Lot.

3.10 SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS. In addition to the annual assessments authorized herein, the Association may levy, in any assessment year, a special assessment applicable to that year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessments shall require the affirmative vote (in person or by proxy) or written consent, or combination thereof, of members holding not less than two-thirds (2/3rds) of each class of membership at a meeting duly called for that purpose. So, long as the Developer owns at least one Lot in the Subdivision, no special assessment shall be adopted by the Association without the prior written consent of the Developer.

3.11 EMERGENCY ASSESSMENTS. The Association may also levy an emergency assessment at any time by majority vote of the Directors, for the purpose of defraying, in whole or in part, the cost of any extraordinary or emergency matters, that affect the Common Area or any maintenance obligations of the Association, any unexpected expenditures not provided for by the budget or unanticipated increases in the amounts budgeted. Emergency assessments shall be due and payable at the time and in the manner specified by the Directors.

3.12 NEW MEMBER ASSESSMENT. Each Owner who purchases a Lot from the Developer, and thereafter each new Owner upon the transfer of title to a Lot to such new Owner, shall contribute a new member assessment in the amount of \$350.00 to the Association at the time of the closing of the purchase of the Lot, which amount shall be collected by the closing agent and paid to the Association. Such funds may be used for any purpose for which the Association may levy an assessment, including, without limitation, start-up expenses, supplies, purchase of Association property and equipment and other common expenses paid or accrued by the Association before or after the commencement of the levy of Assessments. The Directors may increase such new member assessment no more often than every five (5) years and may not increase the assessment by more than ten percent (10%).

3.13 HOMESTEAD. By acceptance of a deed, the Owner of each Lot is deemed to acknowledge that the obligations created by the assessments provided for in this Declaration and in the Bylaws, constitute obligations benefiting homestead property and the assessment liens provided for herein shall be superior to any claim of homestead status.

3.13.1 ASSIGNMENT TO DEVELOPER. During the period of time that the Developer is in control of the Association and is in entitled to elect a majority of the Directors, and until the Developer is released from the obligation to fund the shortfall or deficit in the operating expenses by electing to begin paying assessments for Lots owned by the Developer or turns over control of the Association to the Members other than the Developer, as provided in Section 3.4 of this Declaration (collectively "Developer Funding Period"), the Association hereby assigns, transfers and sets over unto the Developer, and does hereby grant a security interest in and pledge to the Developer all assessments collectable from Owners which are not paid on or before the date

when due and all right, title and interest in and to all rights of collection from such delinquent Owners including all costs of collection, attorneys' fees and court costs owed by such delinquent Owners to the Association ("Delinquent Assessments"), but only to the extent of the aggregate of all amounts paid by the Developer to the Association to fund the deficit or the shortfall ("Developer Funding") up to the conclusion of the Developer Funding Period. The Association shall sign such documents as the Developer shall reasonably require from time to time to evidence such assignment and shall assist the Developer in collecting the Delinquent Assessments, including assistance and cooperation subsequent to Developer Funding Period. During the Developer Funding Period, to the extent that there are Delinquent Assessments, the Association shall sign and execute such documents and instruments as the Developer shall reasonably require to specifically assign the Delinquent Assessments, including the assignment of any claims of lien filed by the Association, to the Developer, and all proceeds from the collection of Delinquent Assessments shall be paid to the Developer, but only until Developer has been reimbursed for amounts paid by Developer to the Association as Developer Funding during the applicable fiscal year of the Association, and thereafter Delinquent Assessments for such fiscal year shall be reassigned to the Association. The amount of Developer Funding shall be determined on a fiscal year basis so that to the extent that there are Delinquent Assessments for a particular fiscal year of the Association, such Delinquent Assessments shall be assigned to, paid to and collected by the Developer, but only to the extent of Developer Funding during such fiscal year.
