3.6.1 Utility and Services Easements. All of the Property shall be subject to an easement or easements to provide for: (i) installation, service, repair and maintenance of the equipment required to provide utility services to the Property and the Lots and Homes, including, but not limited to, power, lights, telephone, cable television, gas, water, sewer, irrigation and drainage, and (ii) governmental services, including, but not limited to, police, fire, health, sanitation and other public service personnel, including reasonable rights of access for persons and equipment necessary for such purposes for the benefit of the appropriate utility companies, agencies, franchises or governmental agencies.

3.6.2 Easement for Encroachment. All of the Property shall be subject to an easement or easements for encroachment in favor of each Owner in the event any portion of such Owner's Home or appurtenant Improvements installed by Declarant such as a fence, stucco, underground footer or sidewalk, now or hereafter encroaches upon any of the Lots as a result of minor inaccuracies in survey or construction, by design, or due to settlement or movement. Such encroaching Improvements installed by Declarant shall remain undisturbed for so long as the encroachment exists. Any easement for encroachment shall include an easement for the maintenance and use of the encroaching Improvements in favor of the Owner thereof or such Owner's designees. Such encroachment will likely constitute a violation of the County's regulations. The County does not expressly or by implication authorize such encroachment. This Section does not limit the County's ability to pursue all available remedies to prevent or remove such encroachments. The County will not permit or allow such encroachments into any easement of land dedicated to or owned by the public for utility, drainage or roadway purposes.

3.6.3 Easement to Enter Upon Lots and Homes. An easement or easements for ingress and egress in favor of the Association including the Board or the designee of the Board, to enter upon the Lots for the purposes of fulfilling its duties and responsibilities of ownership, maintenance and/or repair in accordance with the Governing Documents, including, by way of example, the making of such

repairs, maintenance or reconstruction as are necessary for the Common Area and to maintain any Lot in the event the Owner thereof fails to do so.

3.6.4 Easement over Common Area. An easement of enjoyment in favor of all Owners, their family members, guests, invitees and tenants in and to the Common Area which shall be appurtenant to and shall pass with a deed or title to every Lot in the Property, subject to the following:

(a) the right of the Association to grant permits, licenses and easements over the Common Area for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Property; and

(b) all provisions set forth in the Governing Documents.

3.6.5 Irrigation Easement. An easement for irrigation over, under, and upon the Property, including each of the Lots, in favor of the Association and each Owner, for the maintenance of any irrigation or landscaping located in rights-of-way between the curb and any sidewalk, inclusive of such sidewalk, and common areas, including, but not limited to reasonable rights of access for persons and equipment to construct, install, maintain, alter, inspect, remove, relocate and repair the irrigation pipes.

3.6.6 Plat Easement. The Plat and/or additional plat, if any, may contain additional easements not discussed herein, granted in favor of the Association, Owners or others, for the specific purposes as described therein.

3.7 Surface Water or Stormwater Management System Easement.

3.7.1 Blanket Surface Water or Stormwater Management System Easement. The plan for the development of the Property includes the construction of a Surface Water or Stormwater Management System, which may include, without limitation, retention lakes, swales, conduits, weirs, pipes, and/or berms across the rear of certain Lots and access easements to the Surface Water or Stormwater Management System as may be shown on the Plat or otherwise dedicated. Declarant hereby reserves for itself, its successors and assigns, and grants to the Association and its designees, a perpetual, nonexclusive easement over and across all areas of the Surface Water or Stormwater Management System for the drainage of storm water from the Property. Portions of the Surface Water or Stormwater Management System may be located entirely within Lots.

3.7.2 Surface Water or Stormwater Management System Maintenance. The Association shall be responsible for the maintenance, operation, and repair of the Surface Water or Stormwater Management System. Such maintenance shall include the exercise of practices which allow the Surface Water or Stormwater Management System to provide drainage, water storage, conveyance, or other capabilities in accordance with all the permits, statutes, rules, and regulations

pertaining to surface water management, drainage, and water quality promulgated by the District, Florida Department of Environmental Protection, and all other local, state and federal authorities having jurisdiction. Maintenance of the Surface Water or Stormwater Management System shall mean the exercise of practices which allow the Surface Water or Stormwater Management System to provide drainage, water storage, conveyance and other stormwater management capabilities as permitted by the District.

The Association shall maintain and control the water level and quality of the Surface Water or Stormwater Management System and the bottoms of any retention lakes or drainage easements which retain or hold stormwater on regular basis. The Association shall have the power, as may be required by any applicable governmental entity, to control and eradicate plants, fowl, reptiles, animals, fish, and fungi in and on any portion of the retention lakes or drainage easement. The Owners of Lots adjacent to or containing any portion of the Surface Water or Stormwater Management System, shall maintain all shoreline vegetation and the grade and contour of all embankments to the water's edge (as it may rise and fall from time to time) irrespective of ownership of such land, keep the grass, plantings, and other lateral support of the embankments in a clean and safe manner and to prevent erosion and shall remove trash and debris as it may accumulate in the system, from time to time. Maintenance of the Surface Water or Stormwater Management System shall mean the exercise of practices which allow the Surface Water or Stormwater Management System to provide drainage, water storage, conveyance or other surface water capabilities as permitted by the District. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be consistent with the District Permit, if any, as originally issued or any modification that may be approved by the District.

- 3.7.3 Surface Water or Stormwater Management System Maintenance Easement. The Association is granted a perpetual, nonexclusive easement for ingress and egress, at all reasonable times and in a reasonable manner, over and across the Surface Water or Stormwater Management System and over any portion of a Lot which is a part of the Surface Water or Stormwater Management System, or upon which a portion of the Surface Water or Stormwater Management System is located to operate, maintain, and repair the Surface Water or Stormwater Management System as required by the District Permit. Such right expressly includes the right to cut any trees, bushes or shrubbery; to make any gradings of soil; construct or modify and berms placed along the rear of any Lots as part of the Surface Water or Stormwater Management System, or take any other action reasonably necessary, following which Declarant or the Association shall restore the affected property to its original condition as nearly as practicable; provided, however, that Declarant or the Association shall not be required to replace or repair fences, walks, structures, landscaping, or other improvements which are removed or damaged. Declarant or the Association shall give reasonable notice of its intent to take such action to all

affected Owners, unless, in the opinion of Declarant or the Association, an emergency exists which precludes such notice. The right granted herein may be exercised at the sole option of Declarant or the Association and shall not be construed to obligate Declarant or the Association to take any affirmative action in connection therewith. The Owners of Lots adjacent to or containing a portion of the retention areas are granted a perpetual, nonexclusive easement for ingress and egress over and across the Surface Water or Stormwater Management System for the purpose of providing maintenance and erosion control to the embankments of such retention areas, but only in compliance with the District Permit or otherwise with District approval.

- 3.7.4 Improvements. No docks, bulkheads, or other structures, permanent or temporary, shall be constructed on, over, or under any portion of the Surface Water or Stormwater Management System without the prior written consent of the Association and the approval of the ARB or Declarant, which consent or approval may be withheld for any reason. Any improvements to the Surface Water or Stormwater Management System permitted by the Association and installed by the Owner shall be maintained by such Owner in accordance with the maintenance provisions of this Declaration. All improvements to the Surface Water or Stormwater Management System may also require the prior written approval of the District. After receiving the approval of the ARB, Owner shall be solely liable for obtaining all governmental permits necessary or convenient to construct such Improvement.
- 3.7.5 Use and Access. Declarant and the Association shall have the right to adopt reasonable rules and regulations from time to time in connection with the use of the surface waters of any portion of the Surface Water or Stormwater Management System, and shall have the right to deny such use to any person who, in the opinion of Declarant or the Association, may create or participate in a disturbance or nuisance on any part of the Surface Water or Stormwater Management System. The use of such surface waters by the Owners shall be subject to and limited by the rules and regulations of Declarant and the Association, all permits issued by governmental authorities, and any rights granted to other persons pursuant to the rules and regulations of Declarant and the Association. No gas or diesel driven watercraft shall be operated on any portion of the Surface Water or Stormwater Management System, including retention lakes. Swimming is strictly prohibited in the retention lakes, if any.
- 3.7.6 LIABILITY. NEITHER DECLARANT NOR THE ASSOCIATION SHALL HAVE ANY LIABILITY WHATSOEVER TO OWNERS, GUESTS, TENANTS, OR INVITEES IN CONNECTION WITH THE RETENTION LAKES (IF ANY) AND DRAINAGE FACILITIES OR ANY PART OF THE SURFACE WATER OR STORMWATER MANAGEMENT SYSTEM. EACH OWNER, FOR ITSELF AND ITS GUESTS, TENANTS, OR INVITEES, RELEASES DECLARANT AND THE ASSOCIATION FROM ANY LIABILITY IN CONNECTION THEREWITH.

- 3.7.7 Wetlands, Jurisdictional Land Swales. This Declaration is subject to the rights of the State of Florida over portions of the Property that may be considered wetlands, marshes, sovereignty or jurisdictional lands, and every Owner shall obtain any permit necessary prior to undertaking any dredging, filling; mowing, improving, landscaping, or removal of plant life existing on his Lot.

Further, certain Lots may be improved with swales constructed within Lots that are contiguous to any jurisdictional lands. The Owners thereof shall not remove or modify the swales without the consent of the applicable governmental entities. Any Owner who alters or otherwise modifies any swale, including mowing, shall repair and restore any such swale to be in full compliance with the applicable District Permits, at such Owner's sole cost and expense and shall indemnify and hold the Declarant and the Association harmless from such violation.

- 3.7.8 Indemnity. Declarant may be required to assume certain duties and liabilities for the maintenance of the Surface Water or Stormwater Management System or drainage system within the Property under the Plat, permits, or certain agreements with governmental agencies. The Association further agrees that subsequent to the recording of this Amended Declaration, it shall hold Declarant harmless from all suits, actions, damages, liabilities and expenses in connection with loss of life, bodily or personal injury or property damage arising out of any occurrence in, upon, at or from the maintenance of the Surface Water or Stormwater Management System occasioned in whole or in part by any action, omission of the Association or its agents, contractor, employees, servants, or licensees but not excluding any liability occasioned wholly or in part by the acts of the Declarant, its successors or assigns.

Upon completion of construction of the Surface Water or Stormwater Management System or drainage system Declarant shall assign all its rights, obligations and duties thereunder to the Association. The Association shall assume all such rights, duties and liabilities and shall indemnify and hold Declarant harmless therefrom.

- 3.7.9 Declarant's Rights. Declarant, its successors and assigns shall have the unrestricted right, without approval or joinder of any other person or entity: (i) to designate the use of, alienate, release, or otherwise assign the easements shown on the Plat of the Property or described herein, (ii) to plat or replat all or any part of the Property owned by Declarant, and (iii) to widen or extend any right of way shown on the Plat of the Property or convert a Lot to use as a right of way, provided that Declarant owns the lands affected by such change. Owner of Lots subject to easement shown on the Plat of the Property shall acquire no right, title, or interest in any of the cables, conduits, pipes, mains, lines, or other equipment or facilities placed on, over, or under the easement area. The Owners of Lots subject to any easements shall not construct any improvements on the

easement areas, alter the flow of drainage, or landscape on such areas with hedges, trees, or other landscaping items that might interfere with the exercise of the easement rights. Any Owner who constructs any improvements or landscaping on such easement areas shall remove the improvements or landscape items upon written request of Declarant, the Association, or the grantee of the easement.

3.8 Assignments. The easements reserved hereunder may be as signed by Declarant or the Association in whole or in part to any city, county or state government or agency thereof, or any water management district, or any duly licensed or franchised public utility, or any other designee of Declarant. Declarant shall have and hereby reserves the right to grant and/or reserve additional easements over, under and upon the Property or portions thereof (including the portion of Lots where no physical structure of the Home is located) which may be necessary or desirable by Declarant.

The Owners hereby authorize Declarant and/or the Association to execute, on their behalf and without further authorization, such grants of easement or other instruments as may from time to time be necessary to grant easements over and upon the Property or portions thereof in accordance with the provisions of this Declaration.

Notwithstanding anything in this Declaration to the contrary, the easement rights granted or reserved by Declarant hereunder are not to be construed as creating an affirmative obligation to act on the part of Declarant.

ARTICLE 4: MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

4.1 Membership. Every Owner of a Lot within the Property shall be a member of the Association, subject to and bound by the Articles, Bylaws, Rules and Regulations and this Declaration. Every Owner of a Lot is entitled to one (1) membership for each Lot owned. If more than one person holds record title to any Lot, all such persons are Members, but only one (1) vote may be cast with respect to such Lot, and no fractional votes are permitted. Each co-owner must file the name of the voting co-owner with the secretary of the Association to be entitled to vote at any meeting or such co-owners have filed a general voting authority with the secretary of the Association applicable to all votes until rescinded. Each membership is appurtenant to the Lot upon which it is based, and is transferred automatically by conveyance of title to the Lot whereupon the membership of the previous Owner automatically terminates.

4.2 Classification. The Association has two (2) classes of voting membership:

- (a) Class A. So long as there is a Class B membership, Class A Members are all Owners of a Lot except Developer. Class A Members are entitled to one vote for each Lot owned by an Owner, except as hereinafter provided regarding the Developer. Upon termination of Class B Membership, Class A Members are all Owners of Lots, including Developer so long as Developer is an Owner.

- (b) Class B. The Class B Member is Developer who is entitled to three (3) votes for each Lot and proposed Lot owned by Developer within the Development. The Class B membership will cease and be converted to Class A membership upon the happening of either of the following events, whichever occurs first: (1) when ninety percent (90%) of all Lots within the Property have been conveyed to Owners other than Declarant, its successors, or assigns; (2) fifteen (15) years from recording date of this Declaration; or, (3) effective date of written waiver of all of the Class B voting rights by the Class B Member.

4.3 Board of Directors. The Association shall be governed by the Board of Directors ("Board" or "Board of Directors") which shall be appointed, designated or elected, as the case may be, as set forth in the Bylaws. Notwithstanding anything to the contrary, Developer shall be entitled to elect at least one member of the Board of Directors so long as Developer holds for sale in the ordinary course of business at least five percent (5.00%) of the Lots in Bannah Oaks. After Developer relinquishes control of the Association, Developer may exercise the right to vote any Developer-owned voting interests in the same manner as any other Owner except as otherwise provided in the HOA Act.

ARTICLE 5: COVENANT TO PAY ASSESSMENTS; ESTABLISHMENT OF LIENS;
COLLECTION OF ASSESSMENTS; COLLECTION BY DECLARANT; CERTAIN
RIGHTS OF DECLARANT AND INSTITUTIONAL MORTGAGEES

5.1 Affirmative Covenant to Pay Assessments. In order to: (i) fulfill the terms, provisions, covenants and conditions contained in the Governing Documents; and (ii) maintain, operate and preserve the Common Area for the use, safety, welfare and benefit of the Owners and their family members, guests, invitees and lessees, there is hereby imposed upon each Lot and each Owner the affirmative covenant and obligation to pay to the Association commencing from and after the first conveyance of a Lot from Declarant as evidenced by the recordation of a deed in the Public Records of Marion County (in the manner herein set forth) all Assessments, including, but not limited to, the Individual Home Assessments and Special Assessments. Each Owner, by acceptance of a deed or other instrument of conveyance conveying a Lot within the Property, whether or not it shall be so expressed in such deed or instrument, shall be obligated, and agrees to pay to the Association all Assessments in accordance with the provisions of the Governing Documents.

The following expenses of the Association are hereby declared to be Operating Expenses which the Association is obligated to assess and collect, and which the Owners are obligated to pay as provided herein or as may be otherwise provided in the Governing Documents: (1) any and all taxes and tax liens which may be assessed or levied at any and all times against the Common Area as a whole and not upon an individual Lot or Home, or against any and all personal property or Improvements thereon; (2) all charges levied for utilities providing services for the Common Area as a whole and not upon an individual Lot or Home, or to the Owners on a bulk basis, such as water, gas, electricity, telephone, cable television, telecommunications services home monitoring, sanitation, sewer and any type of utility or

any other type of service charge which is not separately billed to an Owner; (3) the premiums on policies of insurance including, but not limited to, liability and casualty insurance for the Common Area and directors and officers liability insurance for the officers and directors of the Association; (4) any sums necessary for the maintenance and repair of the Common Area and all Improvements located thereon; (5) any sums necessary to reimburse the Association for any costs or expenses incurred in connection with maintaining the Common Area; (6) administrative and operational expenses; (7) all sums necessary for the maintenance and repair of the Surface Water or Stormwater Management System to be maintained by the Association; and, (8) any and all expenses deemed to be Operating Expenses by the Association and/or under this Declaration of the HOA Act.

Any expense which is required by this Declaration to be the matter of Special Assessment shall not be deemed to be an Operating Expense. Expenses which are required to be the matter of Special Assessment include, by way of example but not by way of limitation, the following: the cost of materially altering or improving the Common Area which is the Association's responsibility to maintain or any portion thereof or Improvements thereon; any casualty loss affecting the Association or the Common Area to the extent such loss exceeds the insurance proceeds, if any, receivable by the Association as a result of such loss; any judgment against the Association (or against a Director or Directors if and to the extent such Director is, or such Directors are, entitled to be indemnified by the Association therefor pursuant to the Articles) to the extent such judgment exceeds the insurance proceeds, if any, received by the Association as a result of such judgment, or an agreement by the Association (or such Director or Directors to whom indemnification is owed) to pay an amount in settlement of a lawsuit against it (or such Director or Directors) to the extent such settlement exceeds the insurance proceeds, if any, received by the Association as a result of such settlement agreement; and legal fees and costs (including, without limitation, attorneys and paralegal fees and court costs) incurred by the Association in connection with litigation (whether incurred for the preparation, filing, prosecution or settlement thereof or otherwise), except Legal Fees incurred by the Association in connection with the collection of Assessments or other charges which the Owners are obligated to pay pursuant to the Governing Documents, or the enforcement of the use and occupancy restrictions contained in the Governing Documents, or in response to any suit initiated against the Association.

The Operating Expenses with respect to the Common Area are payable by each Owner of a Lot notwithstanding the fact that Declarant may not have as yet conveyed title to the Common Area to the Association.

5.2 Establishment of Liens. Each Assessment against a Lot, together with Interest thereon and costs of collection (including, but not limited to, legal fees) shall be the personal obligation of the Owner of such Lot. Any and all Assessments made by the Association in accordance with the provisions of the Governing Documents with Interest thereon and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien upon each Lot against which each such Assessment is made. Said lien shall be effective only from and after the time of the recordation amongst the Public Records of the County of a written, acknowledged

statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, the party making payment shall be entitled to a satisfaction of the statement of lien in recordable form. Notwithstanding anything to the contrary herein contained, in the event an Institutional Mortgagee of record obtains title to a Home as a result of foreclosure of its first mortgage or deed in lieu of foreclosure, such acquirer of title, its successors or assigns, shall be liable for Assessments pertaining to such Lot or chargeable to the former Owner except and to the extent limited by the HOA Act.

5.3 Collection of Assessments. In the event any Owner shall fail to pay any Assessment, or installment thereof, charged to such Owner within fifteen (15) days after the same becomes due, then the Association, through its Board; shall have any and all of the following remedies to the extent permitted by law, which remedies are cumulative and which remedies are not in lieu of, but are in addition to, all other remedies available to the Association:

- (a) To accelerate the entire amount of any Assessment for the remainder of the calendar year notwithstanding any provisions for the payment thereof in installments.
- (b) To advance on behalf of the Owner(s) in default funds to accomplish the needs of the Association up to and including the full amount for which such Owner(s) is liable to the Association and the amount or amounts of monies so advanced, together with Interest and all costs of collection thereof, including, but not limited to, Legal Fees; may thereupon be collected by the Association from the Owner(s) and such advance by the Association shall not waive the default.
- (c) To file an action in equity to foreclose its lien at any time after the effective date thereof as provided in Section 6.3.2 hereinabove. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property.
- (d) To file an action at law to collect said Assessment plus Interest and all costs of collection thereof, including, but not limited to attorneys' fees, without waiving any lien rights or rights of foreclosure in the Association.
- (e) To charge Interest on such Assessment from the date it becomes due, as well as a late charge of Twenty-Five and No/100 Dollars (\$25.00) or five percent (5%) of the past due amount, whichever is greater, by the Association to defray additional collection costs. This amount is subject to change in the Board's sole discretion.
- (f) To suspend the right of the Owner(s) in default to vote on any matter on which the Owners have the right to vote if such Owner is delinquent in payment of Assessments or other monetary obligation due the Association for more than ninety (90) days and until such monetary obligations are paid in full.

- (g) To suspend the right of the Owner(s), along with their family members, guests, invitees and tenants to use certain common and recreational areas located within the Common Area, if any, if such Owner is delinquent in payment of Assessments or any other monetary obligation due the Association for more than ninety (90) days and until such monetary obligations are paid in full.

Suspensions imposed by the Association pursuant to subsections (f) and (g), above, must be approved by the Board in the manner required by the HOA Act.

5.4 Collection by Declarant. In the event for any reason the Association shall fail to collect the Assessments, Declarant shall at all times have the right (but not the obligation): (i) to advance such sums as the Association could have advanced as set forth above; and (ii) to collect such Assessments and, if applicable, any such sums advanced by Declarant, together with Interest and costs of collection, including, but not limited to, Legal Fees.

5.5 Determining Amount of Assessments. The total anticipated Operating Expenses for each calendar year shall be set forth in the budget ("Budget") prepared by the Board. The total anticipated Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) shall be apportioned equally among the Lots by dividing the total anticipated Operating Expenses as reflected by the Budget, other than those Operating Expenses which are properly the subject of a Special Assessment (adjusted as hereinafter set forth), by the total number of Lots which have been conveyed by Declarant (as evidenced by the recordation of a deed of conveyance) with the quotient thus arrived at being the "Individual Home Assessment." Notwithstanding anything herein or in the Governing Documents to the contrary, any assessment for legal expenses incurred by the Association to begin legal proceedings against Declarant shall be deemed an Operating Expense which is properly the subject of a Special Assessment and not the subject of a regular Individual Home Assessment.

5.6 Assessment Payments. The Individual Home Assessments shall be payable no less than annually in advance. Notwithstanding the foregoing, the Board has the right to change the method and frequency of the payments of Individual Home Assessments. All Assessments provided for herein and all installments thereof may be adjusted from time to time by the Board to reflect changes in the number and status of Lots (thus apportioning all Operating Expenses among all Lots in existence at the time an Individual Home Assessment installment is due) or due to changes in the Budget or in the event that the Board determines that an Assessments or any installment thereof is either less than or more than the amount actually required. The Individual Home Assessment shall be Five Hundred Fifty and No 100/Dollars (\$550.00) unless or until changed by an action of the Board.

5.7 Initial Contribution. The first purchaser of each Home from a Builder, at the time of closing of the conveyance from the Builder to the purchaser, shall pay to the Association an initial contribution in the amount of Two Hundred Fifty and No/100 Dollars (\$250.00) (the "Initial Contribution"). The funds derived from the Initial Contributions are income to the

Association to be used for the operation, management, and all other general activities and Common Property of the Association. Notwithstanding any other provision of this Declaration to the contrary, the Builder purchasing a Lot from the Declarant shall not be obligated to pay to the Association the Initial Contribution.

5.8 Special Assessments. Special Assessments shall be in addition to, and are not part of, any Individual Lot Assessment. Any Special Assessments assessed against Lots shall be paid by such Owners in addition to any other Assessments and shall be assessed in the same manner as the Individual Lot Assessment. Special Assessments shall be paid in such installments or in a lump sum as the Board shall, from time to time, determine.

5.9 Joint and Several Liability. By the acceptance of a deed or other instrument of conveyance of a Lot in the Property, each Owner thereof is jointly and severally liable for their own Individual Home Assessments and their applicable portion of any Special Assessments, as well as for any and all other Assessments for which they are liable, as provided for herein. Such Owners further recognize and covenant that they are jointly and severally liable with the Owners of all Lots for the Operating Expenses (subject to any specific limitations provided for herein such as, but not limited to, the limitation with respect to matters of Special Assessment and the limitations on the liability of Institutional Mortgagees and their successors and assigns).

5.10 Waiver of Use. No Owner, other than Declarant, may exempt himself, herself or itself from personal liability for Assessments duly levied by the Association. No Owner may release the Owner's Home from the liens and charges hereof either by waiver of the use and enjoyment of the Property and the facilities thereon or by abandonment of such Owner's Home.

5.11 Declarant Subsidy. Declarant has the right, but not obligation, to subsidize the Budget of the Association as provided below by making voluntary contributions in amounts determined by Declarant in Declarant's sole discretion. The amount of any such voluntary contributions may vary from time to time or may be discontinued and/or recommenced by Declarant from time to time. The determination to subsidize the Budget of the Association, the amount of any such voluntary contribution, the discontinuance and/or recommencement of any such voluntary contributions shall all be made by Declarant in Declarant's sole discretion and in no event shall Declarant have any obligation whatsoever to make any such voluntary contributions. Each Owner shall be solely responsible to review the Budget of the Association then in effect to determine if and to what extent Declarant is making any voluntary contributions to subsidize the budget and thus lower the Assessments payable by the Owners that would otherwise be higher based on the Operating Expenses of the Association. Declarant's rights under this Section do not constitute a guarantee of Assessments or Operating Expenses under and as described in Section 720.308(2) of the HOA Act. Nothing herein shall be construed to attempt to supersede or be in contradiction to Sec. 720.303(6)(i)1.c of the HOA Act.

5.12 Declarant's Right to Loan or Advance Funds. Declarant may, in its sole discretion,

loan, advance or otherwise make payments to the Association to assist the Association in meeting its financial obligations. Notwithstanding anything to the contrary contained in this Section, if Declarant loans, advances or otherwise makes payments to the Association, other than as a voluntary subsidy per Section 5.10, any such sums shall be repaid to Declarant prior to the Turnover Date.

ARTICLE 6: ARCHITECTURAL REVIEW BOARD

6.1 Members of the Architectural Review Board. The Architectural Review Board ("ARB") shall be comprised of three (3) members. The initial members of the ARB shall consist of persons designated by Declarant. Each of said persons shall hold office until all Lots and/or Homes have been conveyed or such earlier time as Declarant may, at its sole option, elect. Thereafter, each new member of the ARB shall be appointed by the Board and shall hold office until such time as such new member has resigned, or has been removed, or such new member's successor has been appointed as the Board deems fit. Members of the ARB, other than those designated by Declarant, may be removed at any time without cause. The Board shall have the sole right to appoint and remove all members of the ARB other than those designated by Declarant.

6.2 Exterior Change. No exterior change or modification to any improvements, including without limitation, residential dwellings, accessory structures, exterior lighting fixtures, brick pavers, stamped concrete, concrete flatwork, basketball goals, gym sets and play structures, buildings, fences, walls; pools, roofs, gutters or rain spouts, antennae, aerials, microwaves, reception devices, mailboxes, external enclosures or attachments (including entry screen and patio screen enclosures), shall be commenced, erected, installed, altered, modified, painted, planted, or maintained on the Property, including the Lots by any Owner other than Declarant, until reviewed and approved in writing by the Board of Directors or the ARB.

6.3 Failure to Approve. The ARB shall have thirty (30) days (excluding national holidays) after delivery of all required materials to give written approval or rejection of any such plans and, if written approval is not given within such thirty (30) day period, such plans shall be deemed approved. Notwithstanding anything to the contrary, in no event shall (1) an addition, construction or alteration shall be made by any Owner which is detrimental to or inconsistent with the harmony, appearance or general scheme of the Property as a whole; (2) any Improvement be permitted within the landscaped areas and grassed areas and any sidewalks and sidewalk easements on Lots; or, (3) any Improvement be permitted within any Lot that interferes with the flow of rainfall runoff to or through the Surface Water or Stormwater Management System.

6.4 Subdivision and Partition. No Lot on the Property shall be subdivided without the ARB's prior written consent except by Declarant.

6.4 Reservation of Declarant. Notwithstanding anything to the contrary herein contained, no construction, reconstruction, addition or alteration by Declarant or by Builder shall require the prior approval or any certificate of consent of the ARB or any security deposit.

ARTICLE 7: MAINTENANCE AND REPAIR OBLIGATIONS

7.1 General. The responsibility for the maintenance of the Property is divided between the Association and the Owners as provided hereinbelow. The Association may enter into agreements with others for the Association's management and/or maintenance of all or part of the property to be maintained by the Association.

7.2 Obligation of the Association.

7.2.1. The Association, at its expense, shall be responsible for the operation, maintenance, repair and replacement of all landscaping and grassed areas encompassed within the Common Area as well as all of the Improvements and facilities located over, through and upon the Common Area (except public utilities, to the extent same have not been made Common Area). Should any incidental damage be caused to any Home by virtue of the Association's negligent failure to maintain the Common Area as herein required, the Association shall, at its expense, repair such incidental damage. The Association shall not, however, be responsible for any loss of use, any hardship, an Owner's time or any other consequential or punitive damages.

7.2.2. The Association shall be responsible for the maintenance, repair and replacement of all private streets, drives, roads and roadways, if any, located upon the Common Area and there is hereby reserved in favor of the Association the right to enter upon any and all parts of the Common Area and Lots for such purpose.

7.2.3. The Association, by action of its Board, may make minor and insubstantial alterations and Improvements to the Common Area having a cost not in excess of Five Thousand Dollars (\$5,000). All other alterations and Improvements must first be approved by at least two-thirds (2/3) of all Members represented in person or by proxy at a meeting called and held in accordance with the Bylaws. No alteration or Improvement may be made to the Common Area which materially and adversely affects the rights of the Owner of any Lot to the enjoyment of such Owner's Lot or the Common Area unless the Owner and all mortgagees holding recorded mortgages on such Lot consent thereto in writing. Notwithstanding anything to the contrary, the limitations in this provision shall not apply to the Declarant.

7.2.4. The Association has a reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of Bennah Oaks.

7.3 Obligation of the Owners. Each Owner at his/her expense, shall maintain in good order and repair and keep in an attractive condition all portions of his/her Lot and the improvements located thereon. Each Owner of a Lot on which improvements have been constructed must promptly perform all maintenance and repair work to any improvement

on the Owner's Lot which, if omitted, could adversely affect Bennah Oaks. Each Owner shall additionally maintain the lawn and other landscaped areas within the Lot, including without limitation, regular lawn mowing, fertilizing, pest control, irrigation, and edging. The Owner of each Lot shall be responsible for any damages caused by a failure to so maintain such Lot and any improvements thereon in accordance with this Section 7.3.

- 7.3.1 Each Owner shall keep such Owner's Home insured in an amount not less than its full insurable value against loss or damage by fire or other hazards. Evidence of such coverage shall be furnished to the Association promptly upon the Board's request.
- 7.3.2 Owner agrees to and hereby indemnifies and save the Association harmless against any and all claims or demands against any loss or liability of any kind or character whatsoever arising from or growing out of having any animal within the Property. If a dog or any other animal becomes a nuisance, the Owner thereof must cause the problem to be corrected; or, if it is not corrected, the Owner, upon written notice by the Association, will be required to permanently remove the animal from the Property. All pets must be registered, licensed and inoculated as required by law. The Association will promulgate rules and regulations from time to time designating other rules as necessary to regulate pets.
- 7.3.3 Any property designated as open space, landscape buffer; undisturbed natural buffer, preserve area, or conservation or wetland area on any plat, permit, or other document recorded in the Public Records of the County that is located within an Owner's Lot shall be preserved and maintained by the Owner of such Lot in a natural open condition.
- 7.3.4 Should the maintenance, repair or replacement provided for in Section 7.2 be caused by the negligence of or misuse by an Owner, its family members, guests, servants, invitees, or tenants, such Owner shall be responsible therefor, and the Association shall have the right to levy an Assessment against such Owner's Lot and said Assessment shall constitute a lien upon the appropriate Lot and Home with the same force and effect as liens for Operating Expenses.
- 7.3.5 If an Owner fails to comply with the foregoing provisions of this Section 7.3, the Association may proceed in court to compel compliance. In addition to the exercise of all other remedies, the Association or Declarant shall have the right but not the obligation, upon fifteen (15) days written notice, to enter the Lot of the Owner for the purpose of performing the maintenance and care referred to, set forth and described in the notice and to levy on the offending Owner an Assessment equal to the cost of performing such maintenance and care, including the cost of any contractors or project managers hired for that purpose. Any such Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for Operating Expenses. The determination of whether an Owner is failing to properly maintain and care for

the property for which he has the maintenance responsibility under this Declaration or any of the other Governing Documents shall be determined in the sole discretion of the Association or Declarant.

ARTICLE 8: OCCUPANCY AND USE RESTRICTIONS

All of the Property shall be held, used, and enjoyed subject to the following limitations and restrictions, and any and all additional rules and regulations which may, from time to time, be adopted by the Association, except as otherwise provided hereinbelow with respect to Declarant and Lots and Homes owned by Declarant.

A family is defined to mean any number of persons related by blood, marriage or adoption or not more than two (2) unrelated adult persons living as a single housekeeping unit.

Home, and (b) provide the Association with a true, correct and complete copy of the lease agreement. In the event Owner fails to timely comply with the foregoing, such lease shall be null and void and of no further force or effect, and Owner shall be in violation of this Declaration.

8.3 No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of any Lot nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any person using any portion of the Property. Each portion of the Property will be subject to, and the Association and each Owner will conform to and observe, all laws, statutes, ordinances, rules and regulations of the United States of America, the State of Florida, the County, and any and all other governmental and public authorities and boards or officers of the same relating to such Property and any Improvements thereon or the use thereof. Subject to allowances for reasonable construction activities, no obnoxious or offensive activity shall be carried on, in or about the Lots, nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any Owner. No use or practice shall be allowed in or around the Lots and Homes which is a reasonable source of annoyance to the Owners or which interferes with the peaceful possession or proper use of the Lots or the surrounding areas. No loud noises or noxious odors shall be permitted to emanate from any Lot, such as without limiting the generality of any of the foregoing, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, unlicensed off road motor vehicles or any items which may unreasonably interfere with television or radio reception of any Owner.

8.5 Removal of Sod and Shrubbery. 8.6 Animals and Pets. No animals, livestock or poultry of any kind or size shall be raised, bred or kept on any Lot, except that dogs, cats, or other household pets may be kept subject to the rules and regulations promulgated and governing their keeping adopted by the Board. An Owner is responsible for the cost of repair or replacement of any Common Area damaged by such Owner's pet. Permitted pets shall only be kept subject to and in accordance with such rules and regulations as shall be promulgated from time to time by the Association.

No exotic pet or any animal of any kind which has venom or poisonous defense or

capture mechanisms, or, if let loose would constitute vermin, shall be allowed on any portion of the Property. Notwithstanding the foregoing, small domesticated animals, such as rabbits, hamsters, gerbils, and guinea pigs shall be permitted as pets so long as such animal is restricted to within a residential dwelling located on the Lot at all times.

Owner agrees to and hereby indemnifies and save the Association harmless against any and all claims or demands against any loss or liability of any kind or character whatsoever arising from or growing out of having any animal within the Property.

8.10 On-Site Fuel Storage. No on-site storage of gasoline or other fuels shall be permitted on any Lot, except as specifically follows: (1) up to five (5) gallons fuel may be stored on each Lot for emergency purposes and operation of lawn mowers and similar tools or equipment; (2) propane tanks attached in accordance with manufacturer’s instructions on outdoor barbecue grills; and, (3) natural gas containers approved by the ARB as part of an improvement of a Home or Lot utilizing natural gas to fuel fixtures such as water heaters, stoves, and HVAC systems.

8.11 Dispute as to Use. In the event there is any dispute as to whether the use of the Property or any portion or portions thereof complies with the covenants, restrictions, easements or other provisions contained in this Declaration, such dispute shall be referred to the Board, and a determination rendered by the Board with respect to such dispute shall be final and binding on all parties concerned therewith. Notwithstanding anything to the contrary herein contained, any use by Declarant of the Property shall be deemed a use which complies with this Declaration and shall not be subject to a contrary determination by the Board.

8.11 Declarant Exemption. In general, the restrictions and limitations set forth in this

Section 8 shall not apply to Declarant or to Lots and Homes owned by Declarant. Declarant shall specifically be exempt from any restrictions which interfere in any manner whatsoever with Declarant's plans for development, construction, sale, lease, or use of the Property. Neither the Owners nor the Association shall do anything whatsoever to interfere with any of Declarant's or Declarant's affiliates' activities relating to the constructing of residential dwellings upon any Lot, the constructing of other buildings upon adjacent land or any other property being developed or marketed by the Declarant or its affiliates, or the sale, rental and/or other transfer of Homes by Declarant or its affiliates. In this respect, Declarant hereby reserves the right for itself and its employees, agents, licensees, and invitees to come upon any and all portions of the Property (including, without limitation, the Common Area as well as a Lot even after the same has been conveyed to an Owner) as may be necessary or convenient to enable Declarant to carry on its work and other activities.

ARTICLE 9: ENFORCEMENT

9.1 General. Failure of an Owner to comply with any limitations or restrictions in this Declaration or any of the Governing Documents or with any rules and regulations promulgated by the Association shall be grounds for action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. The prevailing party of such action shall be entitled to recover attorneys' fees and costs incurred in the enforcement of this Declaration or any of the Governing Documents.

9.2 Notice. The Association shall notify the Owner in writing of the noncompliance and set forth the corrective action to be taken. A fine or suspension of use rights may not be imposed without at least fourteen (14) days' notice to the Owner sought to be fined or suspended and an opportunity for a hearing before a committee in accordance with the HOA Act.

9.3 Fines. An Owner shall be responsible for any and all attorneys' fees and costs incurred in connection with the collection of a fine whether or not an action at law to collect said fine is commenced. All monies received from fines shall be allocated as directed by the Board, subject always to the provisions of this Declaration.

In addition to all other remedies, the Association may levy Benefited Assessments, to cover costs the Association incurs to bring a Lot into compliance with the Governing Documents, including Legal Fees, or costs incurred as a consequence of the conduct of an Owner or occupant of a Lot, their guests or invitees.

9.4 Other Remedies. Upon the failure of an Owner(s) to (i) maintain the portion of the Property and any Improvement thereon which such party is responsible to maintain in accordance with the requirements of this Declaration and to the satisfaction of the Association and (ii) correct such deficiencies within fifteen (15) days of written notice by the Association, unless a longer period is authorized by the Association, the Association may enter upon such portion of the Property and make such corrections as may be necessary. The cost of such corrections shall be paid by the Owner who is required to perform such maintenance. If any Owner(s) fails to make payment within fifteen (15) days

after requested to do so by the Association, then the payment requested shall be collected as an Individual Home Assessment from such Owner and the Association shall be entitled to lien rights upon the portion of the Property requiring such maintenance in accordance with the provisions of this Declaration.

SECTION 10: DAMAGE OR DESTRUCTION TO COMMON AREA

10.1 Damage to or destruction of all or any portion of the Common Area shall, notwithstanding any provision in this Declaration to the contrary, be handled as follows:

- (a) If insurance proceeds are sufficient to effect total restoration of damaged or destroyed Common Area, then the Association shall cause such Common Area to be repaired and reconstructed substantially as it previously existed.
- (b) If insurance proceeds are insufficient to effect total restoration of the Common Area, and the cost of restoration would require a Special Assessment against each Lot in an amount of Five Thousand Dollars (\$5,000.00) or less (such amount is based on the value of the dollar in the year this Declaration is recorded and shall be increased each year thereafter based upon increases in the Consumer Price Index), then the Association shall cause the Common Area to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Special Assessment proportionately against each of the Lots in accordance with the provisions of Sections 6 and 7 herein.
- (c) If the insurance proceeds are insufficient to effect total restoration of the Common Area and the cost of restoration of the Common Area would require a Special Assessment against each Lot in an amount greater than Five Thousand Dollars (\$5,000.00), as such amount is based on the value of the dollar in the year this Declaration is recorded and shall be increased each year thereafter based upon increases in the Consumer Price Index, then by the written consent or vote of a majority of the voting interests, they shall determine whether: (i) to rebuild and restore either: (a) in substantially the same manner as the Improvements existed prior to the damage or destruction; or (b) in a manner less expensive, and in the event of (a) or (b) to raise the necessary rebuilding and restoration funds by levying pro rata restoration and construction Special Assessments against all Lots; or (ii) to not rebuild and to retain available insurance proceeds. In the event it is decided that the damaged or destroyed Common Area shall not be rebuilt, the remains of any structure or structures shall be torn down and hauled away, so as not to be a safety hazard or visual nuisance, and the land shall be fully sodded and landscaped or otherwise treated in an attractive manner. Notwithstanding anything contained herein to the contrary, any decision not to rebuild or to rebuild in a manner which would result in a change in the Improvements shall not be effective without the prior written approval of Declarant (which approval shall be given, conditioned or withheld in Declarant's sole and absolute discretion) as long as Declarant owns any

portion of the Property.

10.2 Each Owner shall be liable to the Association for any damage to the Common Area not fully covered or collected by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of such Owner's family, tenants, invitees, guests, lessees, and sublessees, both minors and adults.

SECTION 11: INSURANCE AND CONDEMNATION

Except as may otherwise be provided pursuant to the HOA Act, the Association shall purchase and maintain the following insurance coverages subject to the following provisions, and the cost of the premiums therefor shall be a part of the Operating Expenses:

11.1 Casualty Insurance. Property and casualty insurance (if required by the HOA Act, windstorm coverage) in an amount equal to the then full replacement cost, exclusive of land, foundation, excavation and other items normally excluded from such coverage, of all Improvements and personal property which are owned by the Association and now or hereafter located upon the Common Area, which insurance shall afford protection against such risks, if any, as shall customarily be covered with respect to areas similar to the Common Area in developments similar to Bannah Oaks in construction, location and use.

11.2 Fidelity Coverage. Adequate fidelity coverage to protect against dishonest acts of the officers and employees of the Association and the Board and all others who handle and are responsible for handling funds of the Association shall be maintained in the form of fidelity bonds, which requirements shall be reasonably determined by the Board.

11.3 Directors' Coverage. Adequate directors' and officers' liability coverage, which coverage shall be effective from and after the date the Association is created.

11.4 Other Insurance. The Board may obtain such other forms of insurance as the Board may determine and in such coverage amounts as the Board shall determine to be required or beneficial for the protection or preservation of the Property and any improvements now or hereafter located thereon or in the best interests of the Association and/or its officers and directors.

11.5 Cancellation or Modification. All insurance policies purchased by the Association shall provide that they may not be canceled (including for nonpayment of premiums) or substantially modified without at least ten (10) days prior written notice to the Association and to each first mortgage holder, if any, named in the mortgage clause.

11.6 Flood Insurance. If determined appropriate by the Board or if required by an Institutional Mortgagee, a master or blanket policy of flood insurance covering the Common Area, if available under the National Flood Insurance Program, shall be purchased, which flood insurance shall be in the form of a standard policy issued by a member of the National Flood Insurers Association, and the amount of the coverage of such insurance shall be the lesser of the

maximum amount of flood insurance available under such program, or one hundred percent (100%) of the current replacement cost of all buildings and other insurable property located in the flood hazard area.

11.7 Condemnation. In the event the Association receives any award or payment arising from the taking of any Common Area or any part thereof as a result of the exercise of the right of condemnation or eminent domain, the net proceeds thereof shall first be applied to the restoration of such taken areas and improvements thereon to the extent deemed advisable by the Board and approved by at least two-thirds (2/3) of the total voting interests, and the remaining balance thereof, if any, shall then be distributed pro rata to Owners and mortgagees of Lots as their respective interests may appear.

11.8 Waiver of Subrogation. As to each policy of insurance maintained by the Association which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, Declarant and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement of said persons, but only to the extent that such insurance proceeds are received in compensation for such loss.

SECTION 12: GENERAL PROVISIONS

12.1 Board's Rule Making Power. The foregoing use restrictions shall not be deemed to be all inclusive nor restrict the right of the Association to adopt such reasonable rules and regulations governing the use of Bennah Oaks as the Board may determine from time to time, provided that such rules and regulations: (i) are not in conflict with the provisions hereof; (ii) apply equally to all lawful residents of Bennah Oaks without discriminating on the basis of whether a Home is occupied by an Owner or his or her lessee; and (iii) for so long as Declarant holds any Homes within the Property for sale in the ordinary course of its business, have the prior written approval of Declarant. Declarant has the right to approve any rule or modification thereof.

12.2 Compliance with Documents. Each Owner and their family members, guests, and invitees shall be bound by and abide by the Governing Documents. The conduct of the foregoing parties shall be considered to be the conduct of the Owner responsible for, or connected in any manner with, such individual's presence within the Property. Such Owner shall be liable to the Association and shall pay the cost of any maintenance, repair or replacement of any real or personal property located on the Property rendered necessary by his or her act, neglect or carelessness, or by that of any other of the foregoing parties as an Individual Home Assessment.

12.3 Conflict With Other Governing Documents. In the event of any conflict between the provisions hereof and the provisions of the Articles and/or Bylaws and/or rules and regulations promulgated by the Association, the provisions of this Declaration shall control.

12.4 Notices. Any notice or other communication required or permitted to be given or delivered hereunder shall be deemed properly given and delivered upon the mailing thereof by United States mail, postage prepaid, to: (i) each Owner, at the address of the person whose name appears as the Owner on the records of the Association at the time of such mailing and, in the absence of any specific address, at the address of the Home owned by such Owner; (ii) the Association, certified mail, return receipt requested, to its Registered Agent as identified on the State of Florida's Division of Corporation's website or such other address as the Association shall hereinafter notify Declarant and the Owners of in writing; and (iii) Declarant, certified mail, return receipt requested, to its Registered Agent as identified on the State of Florida's Division of Corporation's website or such other address or addresses as Declarant shall hereafter notify the Association of in writing, any such notice to the Association of a change in Declarant's address being deemed notice to the Owners.

12.5 Enforcement. The covenants and restrictions herein contained may be enforced by Declarant (so long as Declarant holds an equitable or legal interest in any Lot and/or Home), the Association, or any Owner in any judicial proceeding seeking any remedy recognizable at law or in equity, including damages, injunction or any other form of relief against any person, firm or entity violating or attempting to violate any covenant, restriction or provision hereunder. The failure by any party to enforce any such covenant, restriction or provision herein contained shall in no event be deemed a waiver of such covenant, restriction or provision or of the right of such party to thereafter enforce such covenant, restriction or provision. The prevailing party in any such litigation shall be entitled to reimbursement of all costs thereof including, but not limited to, Legal Fees.

12.6 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of recreational facilities and Common Area. Section, subsection, paragraph, captions, headings and titles inserted throughout this Declaration are intended as a matter of convenience only and in no way shall such captions, headings or titles define, limit or in any way affect the subject matter or any of the terms and provisions thereunder or the terms and provisions of this Declaration.

Whenever the context so requires or permits, any pronoun used herein may be deemed to mean the corresponding masculine, feminine or neuter form thereof, and the singular form of any nouns and pronouns herein may be deemed to mean the corresponding plural form thereof and vice versa.

12.7 Severability. In the event any of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, said judicial determination shall in no way affect any of the other provisions hereof, which shall remain in full force and effect, and any provisions of this Declaration deemed invalid by a court of competent jurisdiction by virtue of the term or scope thereof shall be deemed limited to the maximum term and scope permitted by law.

12.8 Certain Rights of Declarant. Notwithstanding anything to the contrary herein contained, no Improvements constructed or installed by Declarant shall be subject to the approval of the Association or the Owners or the provisions and requirements of this Declaration. In addition, Declarant hereby has, shall have and hereby reserves the right to enter upon the Property (including, without limitation, all drainage easements) to final-out and/or close-out any and all approvals, permits, orders, conditions and/or requirements that have been issued or imposed by any governmental entity in connection with the development and construction of the Property and all Improvements therein for Declarant to comply and adhere to the same, and such rights shall survive the date of Turnover and continue for such period of time as is necessary for Declarant to fully comply with all such governmentally issued approvals, permits, orders, conditions and/or requirements. Without limiting the generality of the foregoing, in exercising any such rights, Declarant shall have the right to remove and/or relocate any and all items (including, without limitation, landscape materials, fences and/or other Improvements) that may be required to be removed and/or relocated to final-out and/or close-out any and all such approvals, permits, orders, conditions and/or requirements. This Section may not be suspended, superseded or modified in any manner by any amendment to this Declaration unless such amendment is consented to in writing by Declarant. This right of use and transaction of business as set forth herein and the other rights reserved by Declarant in the Governing Documents may be assigned in writing by Declarant in whole or in part. The rights and privileges of Declarant as set forth in this Section are in addition to, and are no way a limit on, any other rights or privileges of Declarant under any of the Governing Documents.

Declarant shall also have the right, but not the obligation, to conduct inspections and tests from time to time of all or any portion of the Property in order to ascertain the physical condition of the Improvements and to determine if maintenance repair or replacement of any such Improvement is necessary. If Declarant conducts any such tests or inspections, it shall pay all costs thereof, restore the affected portion of the Property to its condition immediately prior to the inspections and tests. Declarant shall have such rights of entry on, over, under, across and through the Property as may be reasonably necessary to exercise the rights described in this Section. Declarant's right of inspection shall exist whether or not the Turnover Date has occurred. In the event Declarant exercises its inspection right, it is acknowledged by the Association and all the Owners that Declarant is performing any such inspection for its own benefit and not for the benefit of the Association and/or the Owners and further, Declarant shall have no obligation to inform the Association and/or the Owners of the result of any such inspection. · ·

ALL OWNERS, OCCUPANTS AND USERS OF BENNAH OAKS ARE HEREBY PLACED ON NOTICE THAT DECLARANT AND/OR ITS AGENTS, CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES MAY BE, FROM TIME TO TIME, CONDUCTING EXCAVATION, CONSTRUCTION AND OTHER ACTIVITIES WITHIN OR IN PROXIMITY TO BENNAH OAKS. Dear Mr. Fabian:

Enclosed is your individual permit issued by the St. Johns River Water Management District on April 19, 2022. This permit is a legal document and should be kept with your other important documents. Permit issuance does not relieve you from the responsibility of obtaining any necessary permits from any federal, state, or local agencies for your project.

Technical Staff Report:

If you wish to review a copy of the Technical Staff Report (TSR) that provides the District's staff analysis of your permit application, you may view the TSR by going to the Permitting section of the District's website at www.sjrwmd.com/permitting. Using the "search applications and permits" feature, you can use your permit number or project name to find information about the permit. When you see the results of your search, click on the permit number and then on the TSR folder.

Noticing Your Permit:

For noticing instructions, please refer to the noticing materials in this package regarding closing the point of entry for someone to challenge the issuance of your permit. Please note that if a timely petition for administrative hearing is filed, your permit will become non-final and any activities that you choose to undertake pursuant to your permit will be at your own risk. Please refer to the attached Notice of Rights to determine any legal rights you may have concerning the District's agency action.

Compliance with Permit Conditions:

To submit your required permit compliance information, go to the District's website at www.sjrwmd.com/permitting. Transferring Your Permit:

Your permit requires you to notify the District within 30 days of any change in ownership or control of the project or activity covered by the permit, or within 30 days of any change in ownership or control of the real property on which the permitted project or activity is located or occurs. "EXHIBIT A"
CONDITIONS FOR ISSUANCE OF PERMIT NUMBER 168565-2
Bennah Oaks
DATED: April 19, 2022

1. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C. Any deviations that are not so authorized may subject the permittee to enforcement action and revocation of the permit under Chapter 373, F.S.
2. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the District staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
3. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007), and the Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008), which are both incorporated by reference in subparagraph 62-330.050(9)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
4. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the District a fully executed Form 62-330.350(1), "Construction Commencement Notice," (October 1, 2013) (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), incorporated by reference herein, indicating the expected start and completion dates. A copy of this form may be obtained from the District, as described in subsection 62-330.010(5), F.A.C., and shall be submitted electronically or by mail to the Agency. However, for activities involving more than one acre of construction that also require a NPDES stormwater construction general permit, submittal of the Notice of Intent to Use Generic Permit for Stormwater Discharge from Large and Small Construction Activities, DEP Form 62-621.300(4)(b), shall also serve as notice of commencement of construction under this chapter and, in such a case, submittal of Form 62-330.350(1) is not required.
5. Unless the permit is transferred under Rule 62-330.340, F.A.C., or transferred to an operating entity under Rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms and conditions of the permit for the life of the project or activity.
6. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
 - a. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex — "Construction Completion and Inspection Certification for Activities Associated with a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or
 - b. For all other activities — "As-Built Certification and Request for Conversion to

Operation Phase" [Form 62-330.310(1)].

c. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.

7. If the final operation and maintenance entity is a third party:

a. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.4 of Volume I) as filed with the Florida Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.

b. Within 30 days of submittal of the as-built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation and Maintenance Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.

8. The permittee shall notify the District in writing of changes required by any other regulatory District that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.

9. This permit does not:

a. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;

b. Convey to the permittee or create in the permittee any interest in real property;

c. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or

d. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.

10. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.

11. The permittee shall hold and save the District harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.

12. The permittee shall notify the District in writing:

a. Immediately if any previously submitted information is discovered to be inaccurate; and

- b. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.
13. Upon reasonable notice to the permittee, District staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
14. If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, stone tools, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the vicinity of the discovery. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section (DHR), at (850) 245-6333, as well as the appropriate permitting agency office. Project activities shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and the proper authorities notified in accordance with Section 872.05, F.S. For project activities subject to prior consultation with the DHR and as an alternative to the above requirements, the permittee may follow procedures for unanticipated discoveries as set forth within a cultural resources assessment survey determined complete and sufficient by DHR and included as a specific permit condition herein.
15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
19. This permit for construction will expire five years from the date of issuance.
20. At a minimum, all retention and detention storage areas must be excavated to rough grade prior to building construction or placement of impervious surface within the area to be served by those facilities. To prevent reduction in storage volume and percolation rates, all accumulated sediment must be removed from the storage area prior to final grading and stabilization.

21. All wetland areas or water bodies that are outside the specific limits of construction authorized by this permit must be protected from erosion, siltation, scouring or excess turbidity, and dewatering.
22. If limestone bedrock is encountered during construction of the retention basins or a sinkhole or solution cavity forms during construction, construction of the basin must be halted immediately and the District must be notified. Remedial action will be required.
23. The permittee must visually inspect all permitted surface water management basins monthly for the occurrence of sinkholes and document these inspections on District Condition Compliance Form Number EN-33. The completed form must be sent to the District annually by May 31st of each year.
24. The permittee must report any sinkhole that develops within the surface water management system. Permittee must notify the District of any sinkhole development in the surface water management system within 48 hours of its discovery and complete sinkhole repair within 10 days of such discovery using a District approved methodology.
25. The operation and maintenance entity shall inspect the stormwater or surface water management system once within two years after the completion of construction and every two years thereafter to determine if the system is functioning as designed and permitted. The operation and maintenance entity must maintain a record of each required inspection, including the date of the inspection, the name and contact information of the inspector, and whether the system was functioning as designed and permitted, and make such record available for inspection upon request by the District during normal business hours. If at any time the system is not functioning as designed and permitted, then within 30 days the entity shall submit a report electronically or in writing to the District using Form 62-330.311(1), "Operation and Maintenance Inspection Certification," describing the remedial actions taken to resolve the failure or deviation.
26. This permit does not authorize the permittee to cause any adverse impact to or "take" of state listed species and other regulated species of fish and wildlife. Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of "take" and a list of fish and wildlife species. If listed species are observed onsite, FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered and threatened species are statutorily protected and a "take" permit cannot be issued. Requests for further information or review can be sent to FWCConservationPlanningServices@MyFWC.com.
27. This permit does not authorize impacts to wetlands or other surface waters.
28. The proposed project must be constructed and operated as per plans received by the District on March 9, 2022, and calculations received by the District on April 14, 2022.
29. The permittee shall submit a soils analysis of the retention ponds verifying that each pond provides the specified permeability rate. The analysis shall be submitted as part of the as-built certification in accordance with rule 62-330.310, F.A.C. If the design permeability rate cannot be verified, the permittee must obtain a modification of this permit demonstrating that the design criteria and objectives of Chapter 62-330, F.A.C. are met.

Notice of Rights

1. A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code, the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P. O. Box 1429, Palatka Florida 32178-1429 (4049 Reid St., Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwmd.com, within twenty-six (26) days of the District depositing the notice of District decision in the mail (for those persons to whom the District mails actual notice), within twenty-one (21) days of the District emailing the notice of District decision (for those persons to whom the District emails actual notice), or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes, and Chapter 28-106, Florida Administrative Code. The District will not accept a petition sent by facsimile (fax), as explained in paragraph no. 4 below.
2. Please be advised that if you wish to dispute this District decision, mediation may be available and that choosing mediation does not affect your right to an administrative hearing. If you wish to request mediation, you must do so in a timely-filed petition. If all parties, including the District, agree to the details of the mediation procedure, in writing, within 10 days after the time period stated in the announcement for election of an administrative remedy under Sections 120.569 and 120.57, Florida Statutes, the time limitations imposed by Sections 120.569 and 120.57, Florida Statutes, shall be tolled to allow mediation of the disputed District decision. The mediation must be concluded within 60 days of the date of the parties' written agreement, or such other timeframe agreed to by the parties in writing. Any mediation agreement must include provisions for selecting a mediator, a statement that each party shall be responsible for paying its pro-rata share of the costs and fees associated with mediation, and the mediating parties' understanding regarding the confidentiality of discussions and documents introduced during mediation. If mediation results in settlement of the administrative dispute, the District will enter a final order consistent with the settlement agreement. If mediation terminates without settlement of the dispute, the District will notify all the parties in writing that the administrative hearing process under Sections 120.569 and 120.57, Florida Statutes, is resumed. Even if a party chooses not to engage in formal mediation, or if formal mediation does not result in a settlement agreement, the District will remain willing to engage in informal settlement discussions.
3. A person whose substantial interests are or may be affected has the right to an informal administrative hearing pursuant to Sections 120.569 and 120.57(2), Florida Statutes, where no material facts are in dispute. A petition for an informal hearing must also comply with the requirements set forth in Rule 28-106.301, Florida Administrative Code.

Notice of Rights

4. A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8:00 a.m. – 5:00 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8:00 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at sjrwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile is prohibited and shall not constitute filing.
5. Failure to file a petition for an administrative hearing within the requisite timeframe shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, Florida Administrative Code).
6. The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. A person whose substantial interests are or may be affected by the District's final action has the right to become a party to the proceeding, in accordance with the requirements set forth above.
7. Pursuant to Section 120.68, Florida Statutes, a party to the proceeding before the District who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
8. A District action is considered rendered, as referred to in paragraph no. 7 above, after it is signed on behalf of the District and filed by the District Clerk.
9. Failure to observe the relevant timeframes for filing a petition for judicial review as described in paragraph no. 7 above will result in waiver of that right to review.

Newspaper publication, using the District's notice form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit for someone to file a petition for an administrative hearing to challenge the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a one-time notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice to close the point of entry, the time to challenge the issuance of your permit will not expire and someone could file a petition even after your project is constructed.

A copy of the notice form and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit of publication. In that event, it is important that you either submit a scanned copy of the affidavit by emailing it to compliancesupport@sjrwmd.com (preferred method) or send a copy of the original affidavit to:

NOTICE OF AGENCY ACTION TAKEN BY THE
ST. JOHNS RIVER WATER MANAGEMENT DISTRICT

Notice is given that the following permit was issued on 4/19/2022 :

(Name and address of applicant) _____
permit# 168545-2. The project is located in Marion County, Section
1, Township 17 South, Range 22 East. The permit authorizes a surface
water management system on 100.5 acres for _____ known as
Bronah Oaks. The receiving water body is _____.

A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the St. Johns River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40C-1.1007, Florida Administrative Code (F.A.C.), the petition must be filed (received) either by delivery at the office of the District Clerk at District Headquarters, P.O. Box 1429, Palatka FL 32178-1429 (4049 Reid St, Palatka, FL 32177) or by e-mail with the District Clerk at Clerk@sjrwmd.com, within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes (F.S.), and Chapter 28-106, F.A.C. The District will not accept a petition sent by facsimile (fax). Mediation pursuant to Section 120.573, F.S., may be available and choosing mediation does not affect your right to an administrative hearing.

A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Palatka, Florida during the District's regular business hours. The District's regular business hours are 8 a.m. – 5 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8 a.m. on the District's next regular business day. The District's acceptance of petitions filed by e-mail is subject to certain conditions set forth in the District's Statement of Agency Organization and Operation (issued pursuant to Rule 28-101.001, Florida Administrative Code), which is available for viewing at www.sjrwmd.com. These conditions include, but are not limited to, the petition being in the form of a PDF or TIFF file and being capable of being stored and printed by the District. Further, pursuant to the District's Statement of Agency Organization and Operation, attempting to file a petition by facsimile (fax) is prohibited and shall not constitute filing.

The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40C-1.1007, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. **Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, F.A.C.).**

If you wish to do so, please visit http://www.sjrwmd.com/nor_dec/ to read the complete Notice of Rights to determine any legal rights you may have concerning the District's decision(s) on the permit application(s) described above. You can also request the Notice of Rights by contacting the Director of Business and Administrative Services, 4049 Reid St., Palatka, FL 32177-2529, tele. no. (386)329-4570.
